

CORPORATE SOCIAL RESPONSIBILITY (CSR) POLICY

The Company is committed to employing responsible practices with regard to the development and improvement of its employees, the environment as well as in our local communities.

The Company employees are the greatest assets of the Group. As much as the Company commits to give back to the society, the Company also commits significant resources in nurturing human talents, technical skills upgrading, career development programs and lifelong learning. The Company aims to instill good civic values so that the employees too can act as ambassadors in advancing the worthy causes.

This policy is to conduct the Company's business operations according to best industry standards and practices. Integrity is a core element of the Company's business and operational competency model. A key feature of this is that all business interactions will be discharged in a socially responsible manner. The goal is to behave ethically and with integrity in the communities where the Company operates directly and indirectly, and to respect cultural, national and religious diversity.

This policy is to be assessed, reviewed and updated annually, with the assistance and advice from the Company Secretary, in accordance with the needs of the Company and as and when there are changes to the regulations that may have an impact on the Board in discharging its responsibilities. Any change and /or updates to the policy shall be recommended to the Board for approval.
